How HUGHP Works

Through our partnerships, HUGHP provides expertise, reach, and access to the doctors you need.

1. Primary Care Network Options

Select a primary care physician at either Harvard University Health Services or one of the Atrius Health medical group locations.

Harvard University Health Services provides access to primary and specialty care physicians at four convenient locations across the Harvard campuses.

Atrius Health medical groups (including Harvard Vanguard) offer access to hundreds of primary and specialty care physicians in locations throughout Massachusetts.

2. Specialty Care Network

In addition to the specialty care available at Harvard University Health Services and Atrius Health medical groups, HUGHP members also have access to Blue Cross Blue Shield of Massachusetts specialists.

Blue Cross Blue Shield of Massachusetts provides you with access to a vast network of hospitals and specialists locally and nationally, to keep you covered when you travel anywhere in the U.S.
Harvard University Health Services

Only HUGHP members have the unique option of receiving care through Harvard University Health Services (HUHS). HUHS offers state-of-the-art multi-specialty group practices in four convenient locations across the Harvard campuses, with urgent care provided 365 days a year at the Richard A. and Susan F. Smith Campus Center.

- Harvard Square—Smith Campus Center, Cambridge
- Harvard Business School—Cumnock Hall, Allston
- Harvard Law School—Pound Hall, Cambridge
- Longwood Medical Area—Vanderbilt Hall, Boston

HUHS primary care physicians and specialists are affiliated with Beth Israel Deaconess Medical Center, Brigham & Women’s Hospital, Children’s Hospital Boston, Dana-Farber Cancer Institute, Massachusetts General Hospital, and Mount Auburn Hospital. HUHS medical teams collaborate to provide confidential, personalized care for each patient.
Savings to keep you—and your bottom line—healthy

In today’s economic climate, savings matter more than ever. HUGHP wants to help you in every way possible. Just a few of the benefits members receive include:

- Lower health plan premiums
- Up to 50% discounts on health and wellness treatments at Harvard’s Center for Wellness
- $150 toward membership or exercise classes for you or your family at a qualified health club
- $150 on qualified weight loss program fees for you or your family
- Reimbursements for childbirth classes
- Access to free smoking cessation programs
HUGHP knows the power of integrative therapies combined with conventional treatment. As a HUGHP member, you receive up to 50% discounts on services at Harvard’s David S. Rosenthal, M.D. Center for Wellness. Conveniently located in the Smith Campus Center, the Center for Wellness offers an array of holistic therapies and mind/body activities to promote whole health in the individual. Massage, acupuncture, and exercise classes, including yoga and Pilates, are just a few of the ways that HUGHP helps you pursue wellness.
